Hannah Brooks

Junior Full-Stack Developer

hannah.brooks@example.com · +44 555 0164 · Bristol, UK

PROFILE

Former secondary-school mathematics teacher who retrained as a software developer. One year of professional experience building web applications with JavaScript, Node.js and PostgreSQL, bringing strong analytical thinking and a talent for explaining complex ideas clearly.

EXPERIENCE

Junior Full-Stack Developer, Tidewater Digital **Aug 2024 - Present**

Bristol, UK

- Build features across a React front end and a Node.js/Express API for a booking platform used by 80 independent fitness studios.
- Wrote PostgreSQL migrations and optimised a slow reporting query from 9 seconds to under 1 second.
- Added unit and integration tests with Jest and Supertest to the payment module.
- Take part in code reviews and daily stand-ups in a Scrum team of six.

Full-Stack Web Development Bootcamp, CodeForge Academy **Jan 2024 - Jun 2024**

Bristol, UK (full time, 24 weeks)

- Intensive programme covering JavaScript, React, Node.js, SQL, Git and agile working.
- Capstone: **StudyBuddy**, a web app where students create and share revision quizzes, built with React, Express and PostgreSQL.

Head of Year 9, Ashgrove Secondary School **Sep 2020 - Dec 2023**

Bristol, UK

- Led a pastoral team of eight tutors responsible for 210 students and their attainment tracking.
- Built spreadsheet and Python scripts to analyse assessment data, which the school adopted for termly reporting.

Mathematics Teacher, Ashgrove Secondary School **Sep 2016 - Aug 2020**

Bristol, UK

- Taught GCSE and A-level mathematics to classes of up to 30 students; exam results rose 11 percentage points above the school average.
- Classroom management and behaviour for mixed-ability groups.

Mathematics Teacher, Fernhill Academy **Sep 2015 - Aug 2016**

Cardiff, UK

- Taught key stage 3 and 4 mathematics and ran the after-school maths club.

TECHNICAL SKILLS

- JavaScript, TypeScript (learning), HTML, CSS, SQL, Python (basic)
- React, Node.js, Express, PostgreSQL, Jest, Git, Docker (basic)

EDUCATION

PGCE Secondary Mathematics, University of Wessex **2014 - 2015**

B.Sc. Mathematics, University of Wessex **2011 - 2014**
